PLAYING PRESCHOOL

YOU ARE YOUR CHILD'S BEST TEACHER

THANK YOU SO MUCH FOR PURCHASING PLAYING PRESCHOOL YEAR 1.

I am delighted you are here and thrilled to be a part of your home preschool journey. In this document, you will find a few tips and extra bits of information to help you begin your navigation, implementation, and teaching of Playing Preschool.

FREQUENTLY ASKED QUESTIONS

There is a detailed FAQ page that you can reference with some of the most asked questions about the program, how to teach it, and why I made certain choices as I wrote it. You can find the FAQs by clicking the following link: [FAQ PAGE](#).

SUGGESTED BOOKS FOR PLAYING PRESCHOOL

Each unit in Playing Preschool suggests (typically) six books to be used in conjunction with the lessons. These books are a suggestion. Feel free to add more or use other titles you can find at home, borrowing from friends, or in the library.

To see the full book list for the entire program, please follow this link: [YEAR 1 BOOK LIST](#) (password: Year1). There is also a PDF you can download through the same link.

HOW TO PRINT THE PROGRAM

If you are interested in printing out Playing Preschool, you have my full permission to do so. You are licensed to print one single copy. When printing Playing Preschool Year 1, please choose the file PLAYING PRESCHOOL YEAR 1. You will also need to print the ALPHABET PAGES YEAR 1 separately.

To minimize printing costs, here are some quick tips:

- Print in black and white
- Choose double sided
- Pick the lightest weight paper possible

To bind it, I chose to coil bind my personal copies and have a color cover added to the front. You can also have the program hole punched into a 3-ring binder.

Online print shops (that will print and ship to you) are far less expensive than traditional print shops. If you are printing from a “big box” printing company, make sure to first check online for any printing promo codes.

The next page in this file is your copyright release to print the program. Some printing services require this copyright release to be shown.

IT'S TIME TO GET STARTED

Trust me when I say with all my heart, you've got this! You are the first and best teacher for your child, and so much of Playing Preschool is the learning and play work you've already been doing together.

Please make sure to read the Start-Up Guide thoroughly (it's the first section of your Playing Preschool download). I made sure to pack that guide full of every detail I could think of to help you start teaching successfully (especially if you've never taught before!).

Enjoy this year of memories with your child – and please don't hesitate to reach out with any questions to susie@busytoddler.com.

All the best,

A handwritten signature in red ink that reads "Susie". To the left of the name is a simple red heart symbol.

To whom it may concern,

I, Susan Allison, as owner of Busy Toddler LLC and author of Playing Preschool, grant permission for the holder of this letter to print a single copy of Playing Preschool for personal use at a company of their choosing.

Please contact me at susie@busytoddler.com with any questions regarding this release.

Best,

Susan Allison
