Alphabet Book Pages

Here are the alphabet letter pages for Playing Preschool Year 2. You can find more information about these pages in the Introduction.

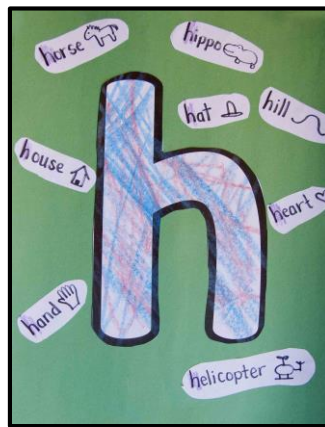

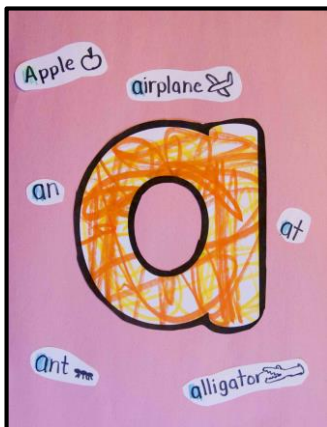

But really quick....

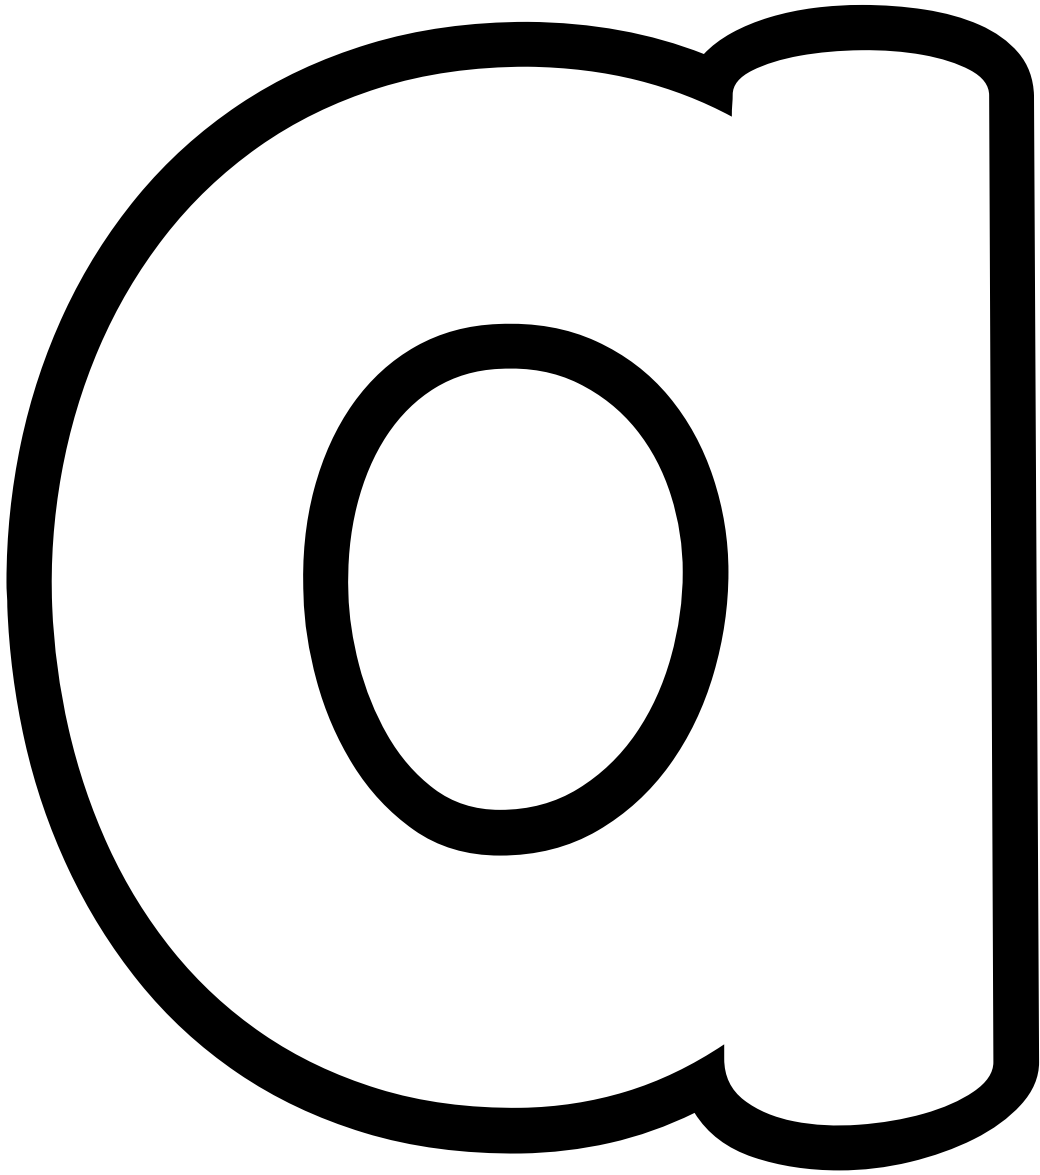

These pages will be used throughout the year to build your child their very own "word book." By the end of Year 2, your child will have a book of words they can "read" (each word will have a picture clue so it's more like reading a picture, but it feels real to them).

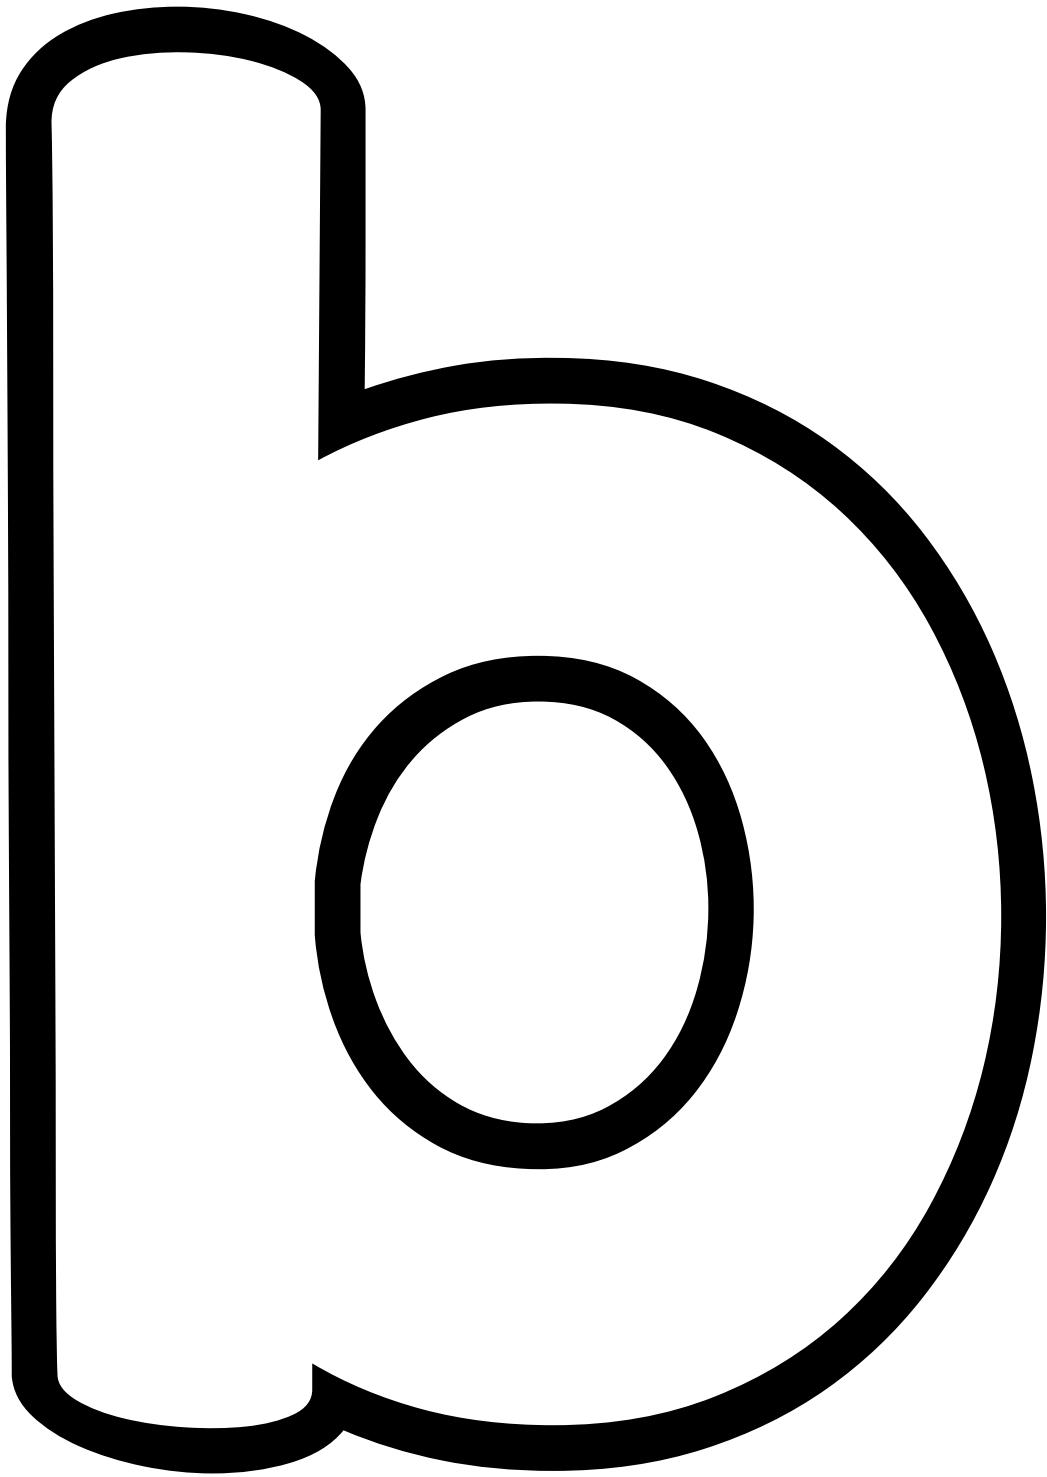

Again, more information is in the Introduction.

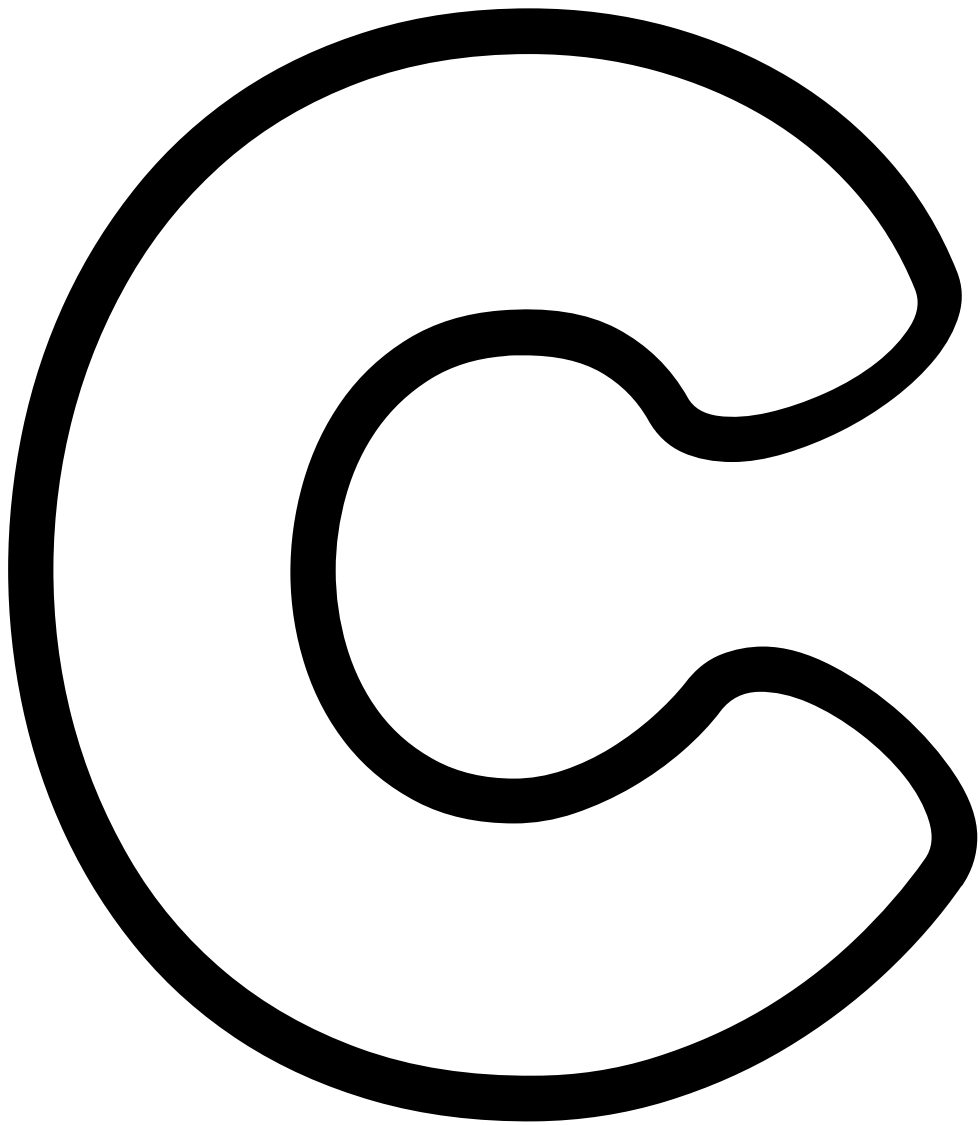

- Print these pages out – you'll need one copy for the year.
- There's a title page at the end to use for the book's cover.

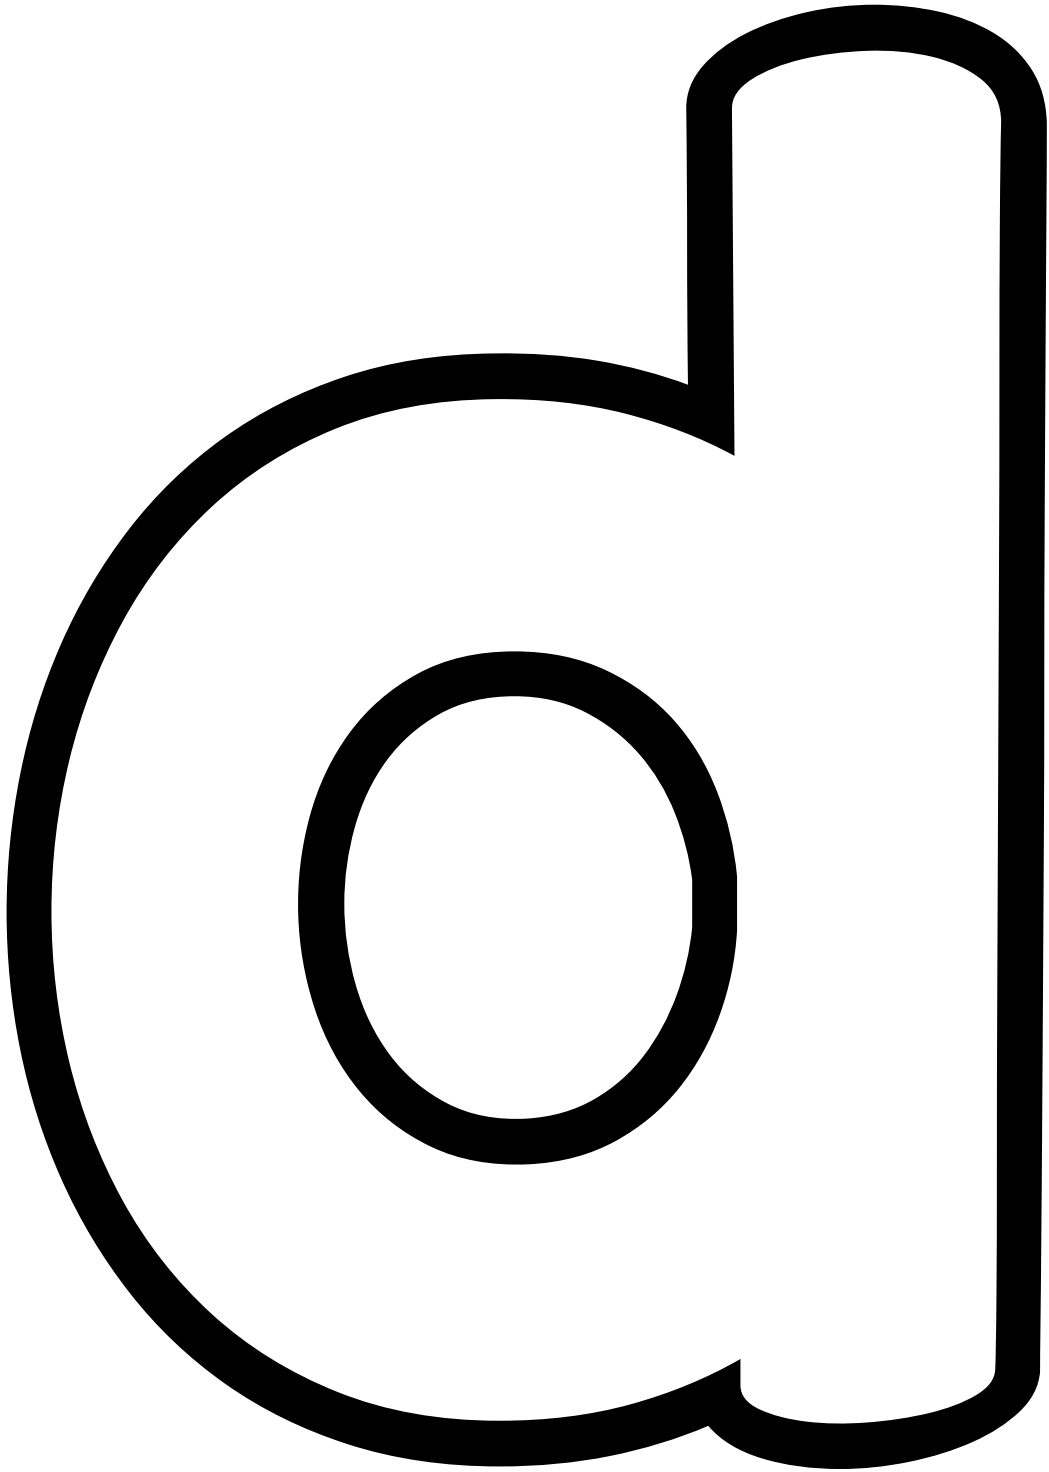

Have fun and happy learning!
